of Mysore.

Sir,

In submitting herewith,
Seringapatna Amildar's report
No. 322 dated 21st January 1885
with its enclosures, I have the
honour to state that the original
grant allotted to Runganaatha
swamy temple at Seringa-
patna, was 2707 C. Pagodas
and $3\frac{3}{8}$ Annams, and the same
was continued to be paid
till the year 'Viradhi' 1829.

2. Out of the 'taxdik', 231 C.
Pagodas were fixed for the...

maintenance of an elephant and the establishment of 'Naipat' Khana'. About two years previous to the assumption of the country by the British Government, this amount was temporarily appropriated, under the orders of H. H. the late Maharaja, for the maintenance of a Sanyasi-kutti in the temple. After two years, the allowance was stopped in consequence of the death of the Sanyasi and was omitted to be shown in the annual accounts for the year 'Maumala' 1835. The temple-servants do not appear to have attempted to get the allowance restored for the original object of keeping up an elephant and 'Naipat Khana'.

3. Under this circumstance, the amount in question viz: 231
0. Paisas was omitted in the

Tasdeek Putti framed in the year 1838 under the general orders of the British Government.

4. It will appear from the enclosed records that in the year 1836, the then temple Sarpatiga and others complained on the subject; but no references are forthcoming to shew what steps were taken on their complaint. Similar complaints having been preferred by them to H. H. the late Maha Raja in 1860, the Maha Raja wrote letter No. 109 of 13th July 1860 to the then Commissioner Lieutenant General Sir. Mark Lubbock K.C.B., recommending the restoration of the amount, copy of which is, herewith, submitted for ready reference.

5. I would, under these circumstances, humbly solicit

that the Government will be pleased
to restore the said allowances
to the temple, and thus enable
this important place of Hindu
worship to maintain its posi-
tion among the foremost
temples of Southern India.

Sir,

I have the honor to inform
you that the kalasas of Sreevranga
within a sunny temple at
Seringapatam are to be founded
on the 8th instant, that day
being auspicious for the pu-
-jara.

2 In intimating the above
event, I beg you to excuse me
for the liberty I take in requesting
you to move the Government
of Mysore to restore to the
said temple the grant of
231 Cantaroyi Rngodas, dis-
-continued from the year
1835-36.

3 From the papers herewith.

- Submitted for reference, it is
evident that several of His
Late Highness' subjects petitioned
to His Highness for the restoration
of the said grant & His Highness
was pleased to forward
their petition to Sir Mark -
Cubbon, the then Chief Comr.
of Mysore, with a hope that
the wish of His Highness' subjects
might be complied with. But
I have no record to show
what became of this reference.
- 4 In the year 1885 Mr. Mudhava
Row, the then sub. off. French
Rocks, moved the government
to renew the grant, but the
govt. expressed that it was
inconvenient at that time
to renew the grant.
- 5 I think the occasion of the
foundation of the palaces
& the probability of a special
visit of His Highness to Sriranga
- Palam is the best & fitting

time for renewing the grant.
That occasion is looked
upon as a most happy &
glorious one in the Province
of Mysore I can never
find a better opportunity
for moving the Govt. to
for the renewal of the grant.
than the one above alluded
to.

6 As the Govt. have spent
a very large sum of money
in repairing & improving
the temple, the restoration of
the grant will enable it
to maintain its position
among the foremost temples
of Southern India.

7 Above all, I feel it my
duty to remind the Govt.
that the present opportunity
of the foundation of the
Kulnara & the probable visit
of His Highness the Maharaja
is a most convenient and

fitting occasion for the
veneration of the grant, &
conclude with a hope
that the Govt. may be pleased

Sir -

I have the honor to submit for orders, letter no A, dated 4th instand, from the Sub Division Officer Ranch Rocks, (with a file of papers therein enclosed), recommending the restoration to the Sri Anaganatha-Swami Temple, at Semungapatam, of the 231 Annkenoy Pagodas, which were omitted in the accounts for 1835-36, the Sanyasi who was last drawing the allowance having died -

2. It will appear from the vernacular correspondence that the allowance was of very ancient standing, and long enjoyed, that made under one head in the Fustik batty, it was in course

of time used first for a different purpose, and then, for a third purpose, but all connected with the temple, and fulfilling in an eminent degree, the aims, and objects, of the temple grants. Payment to the Sanyasi, for the purpose of feeding the large number of devotees, who visited him in the mutt, which he had established in the temple, is the manner in which the allowance was last used. The death of the Sanyasi released the allowance from this purpose, and was a reason why the allowance should have been devoted to some other purpose equally connected with the temple or have become abolished as "savings" thus contributing to the surplus funds of the temple, which constitute the Reserve, from which extraordinary temple expenditure is met. It was not an Inam, or ready money grant made to the late Sanyasi, directly from the State, so that it may determine

with his life, and lapse to Hook; and in this particular case, the lapse of the particular items of the Eastik patty, is not in accord with the manner in which unappropriated items in Eastik patties have always been dealt with in the case of other Temples; if the example of this case were the rule, in other cases, we should not have "Savings" and "Surplus Funds".

3. Public policy precludes fresh denominational grants and the improbability of such grants is all the more a reason, for solicitude for keeping and conserving grants once made, and long enjoyed. In the present case, it was a mistake, or accident by which the allowance has come blue, regarded as a lapse; and Hook see fit to restore it, the question how it is best used, may be reserved for settlement hereafter. The demands of sectarian charity, and sectarian education are not already so fully met, that

scope cannot be found for a judicious
use of the allowance in question,
under these heads, as well as other
heads equally in accord with
the Institution to which it apper-
tains -

purposes, I have the honor to submit
herewith, French's Sub Division

to establish a Sanskrit School, was
an excellent one.

may be approved.

The grant was restored by

Memo

The Amildar pro-
posed that the grant
of 231 Canteroy Pa-
godas or Rs. 672-""-"
restored to the temple
of Sri Rangamatha-
swami at Serangapatam
might be utilized as
stated below:-----

(1) As the temple has
fifty or sixty thousand
temples worth of jewels
& articles, as it is far
away from the town,
the entertainment of a
Barr Bahara is abso-
lutely necessary as par-
ticularized below:-----

One Havaldar	} Annual cost Rs. - - - -
at Rs 6. per month	
Five Sepoys at	} 72- ""- ""
Rs 4 each per month	

Total 312- ""- ""

(2) From time immemo-
rial, a Nagarkhana
had been attached to the

the temple and it was
abolished in 1831
by H. H. the late Maharaja.
During the time of
worship it is necessary
to have music. ~~hence~~
Hence, the re-organ-
ization of a Nagar-
Bhama is proposed
as specified below:—

(One Monriat } Annual cost
Rs. 3 per month. } 24 - R - P.
36 - " - "

(One drummers }
at Rs 2 a month. } 24 - " - "

For repairing the }
drum annually. } 24 - " - "

Total 84 - " - "

(3) As no arrangement is
made for the feeding of
Bree-Vishnava Brahmin
travellers in the town
of Serangapatam
and as the provision of
Rs. 7 per mensem made
formerly for the purpose
is insufficient, a sum
of Rs. 13 per mensem or
Rs. 156 per annum may
be fixed for "Bramanaga-
Brotam"

(4) Adhikaryama is
altogether lost sight of
in the town of Serangapatam.

There is none at present to recite Adhaigana on the occasion of the different processions of the deity. Therefore, the entertainment of a Vedic teacher to teach Adhaigana to boys in the temple and to repeat the same on the afore-said occasion is necessary. His pay may be fixed at Rs 10/ per mensem or Rs. 120/ per annum. The whole cost as proposed above will amount to Rs. 672-00-00 per annum.

2. The Sub-Division Officer, Mr. Tirmala Chao, proposes that instead of spending any portion of the gr out on a Darr Bahara and a Navabent Thana which seem to him useless & unnecessary, the amount be utilized partly for increasing the

the very insufficient
allowance of Rs 7 a
month which is now
assigned to the Rama-
manjambotam
and partly for the
support of a Sanskrit
School with a Vedic
class attached to it,
and adds that there is
at present a Sanskrit

School at Serangapatam
supported by the
Municipality that
it would be relieved
of the burden of main-
taining that school
should Govt be pleased
to sanction a portion
of the grant being
appropriated towards
the support of Sanskrit
education than
which, in his opinion
no better use could
be made of the grant.

3. He therefore suggests
that out of the grant of 231
Canteroy Pagodas which

which amounts to Rs. 56
 per mensem (or Rs. 672 per
 annum), a sum of Rs. 23
 per mensem be given to
 the "Kamanyabootam"
 so as to increase its allow-
 -ance from Rs. 7 to Rs. 30/-
 per mensem and that the
 remainder, viz, Rs. 33/-
 per mensem be given for
 the support of a Sanskrit
 School, of which the cost
 might be distributed as
 follows: —————

	Monthly cost
1 head master on	Rs. 12 a month
10 " "	10 " "
10 " "	10 " "
10 " "	10 " "
10 " "	10 " "
Contingencies - -	1 " "

that the school might be
 held in a part of the temple,
 which can afford ample
 accommodation for the
 purpose, that it would not
 necessitate any expenditure
 on account of rent for a
 school house or on account
 of a sweepst as the temple
 servants -

servants would do the sweeping.

4. The Dy Commr states that Mr. Tirumala-Chari's proposal to establish a Sanskrit-School seems an excellent one.

5. The expenditure which the Serangapatam Municipality now incurs for its Sanskrit School amounts to Rs. 14 14 per annum or Rs. 12 per mensem as specified below:—

One teacher at —	Per mensem
	Rs. 10-00
Another — do —	7-00

I don't approve of the various

The Ramangia kutum has no
special claim upon the fund
in question, for in 1824. 30

when the Chaplain was abolished

Rs. 7 now assigned for Ramangia

travellers of the Srivishnu class
in ordinary times.

Travellers of other classes
are fed at the Govt. Chattram
which I believe also issues
rations to Srivishnu travellers
who cannot be fed at the
Ramangia kutum.

I don't see why the temple
should bear the burden of

A Vedic teacher on Rs 10

as happened the Diwan made the Proceedings

mildas had made necessary arrangements but

do not know the details of it. Without the least
consideration he engaged an Gopadaya (Adhyayana)
- Rs 10/- & which is sanctioned by the Sub-Division
officer of S. This is an useless affair, because there

already one & there is no one to study under him.
Say, Vedas different men are getting "padi". The
vt have not directed their attention to the benefits
outsiders. Besides there was the practice of white-
washing nagarkana, elephant, & Gopuram & there was
also the Ramanooja Koota. Without considering
the reports they have engaged this man. It is very
necessary that in a Vishnu Temple there should be
Ramanooja Koota because there is Siva Koota

~ Vinjunger & Devy Koota in Chamundri Hills.
there is no room for 3 marked Brahmans. If they

we request - a Sentinel should

By Order,

Dated 31 August 1890.

To,

The Deputy Commissioner

Mysore District,

Sir,

In reply to your docket no. 3 of the 3rd April last, I have the honor to report that from careful local enquiry, I learn that Sri-vaishnava travellers do not get so much assistance as the Dewan seems to believe from the Amra Chatram at Srirangapatam. The allowance for the Chatram is Rs 80 per ~~mo~~ month; and the number of "Bhupagi" mendicants and other travellers being very large at Srirangapatam, Ramanuja Kirta travellers do really receive very little aid from the Chatram. I therefore beg that Rs 13 per month may be sanctioned as previously recommended for the Ramanuja Kirta travellers from the amount of 231 Pagodas restored to the temple.

2. The townspeople and the Amildar now suggest the following items of expenditure, which I consider is reasonable:

1st For "abhishekam" "otsavam" &c on birth days of His Highness the Brhaha Rajah and the heir apparent @ 100- " "

2nd For Ramanuja Kirtam at Rs 13 per month. ~~~~~ 156- " "

- 3^d. For entertaining a "Thiruvaymoli prabhand" teacher to teach the same to Sri vaishnava boys in the temple at Rs 10 per month --- 120--a--
- 4 " For the maintenance of the poor scholars in the Vedic and Thiruvaymoli classes at Rs 14-10-8 per month - 176-
- 5th Amount already sanctioned for the entertainment of a vedic teacher --- 120 a--
- Total Rs 672--a--

3. It would appear that no special "Ootsavam" or "abhishekam" is now performed on the birth days of His Highness the Maharajah and the First Prince. The people and some of the learned Brahmuns say that such a Ootsavam is necessary; and I think that this proposal is a very proper one.

4. The "Thiruvaymoli prabhand" teaching is very essential to the Sri vaishnava sect, and such a school is not in existence any where in this part. The townspeople therefore pray that one may be established in the temple.

5. The item of Rs 176 proposed for the maintenance of the poor scholars is intended for feeding really destitute boys who read in the vedic and Thiruvaymoli classes. The

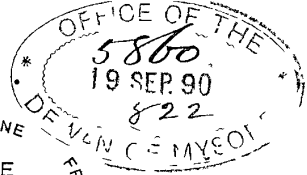

townspeople support this proposal as well

6. I therefore beg to request that you will be good enough to submit these proposals for the sanction of the Government. In the event of their not being approved of I would recommend that the whole amount excepting Rs 120 already sanctioned for vedic class, may be credited to the surplus Fund, so that it may be utilized on future occasions for the repairs of the temple &c.

Sir,

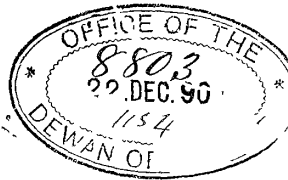

Adverting to your Memo No 610 dated
31st October last and docket No 670 of 19th Ult
calling for further information about the
disposal of the grant of Rs 672 recently restored
to the Rangamathaswami temple at Sernga

2. There is no vedic teacher in the
temple. A temple servant called "Dharma
Adhyana" is employed on an allowance of
Rs 1-3-0 with a ration of 30 seers of rice per
month. The duties of this official from time
immemorial are to repeat Vedic verses during
Pooja and on the occasions of the deity being
taken in procession. This official does not
teach Veda to poor students. Vedic teacher
already sanctioned is therefore necessary.
